PROFILE

I am a dedicated and passionate web developer with a strong foundation in creating visually appealing and user-friendly websites. With a deep understanding of both front-end and back-end technologies, I strive to bring innovative digital solutions to life. My journey in the world of web development began with a curiosity for how websites work and a determination to turn that curiosity into expertise.

INTERNSHIP EXPERIENCE

Full Stack Web Developer

Uptal / January 2022 – April 2022

During the Internship at Uptal I worked with two other developers and we created fully functional website using MERN technology.

WORK EXPERIENCE

Full Stack Web Developer

Addictive Media / December 2022 – Present

Company Website: <https://theaddictivemedia.com/>

As a Web Developer at Addictive Media, I was responsible for designing, developing, and maintaining high-quality and visually appealing websites for clients across various industries. I collaborated closely with cross-functional teams, including designers, project managers, and clients, to ensure the successful delivery of projects that met and exceeded client expectations.

COURSES

Complete Web Development

Institute Name: Programming Hero

Website: <https://www.programming-hero.com/>

Throughout my 6 months Web Development course at Programming Hero, I gained hands-on experience in building interactive web applications from scratch. I became proficient in HTML5, CSS3, React Js, Node Js and MongoDB, learning to create a fully functional website.
